

Cincinnati, OH

Jan. 23, 1812
(Cont'd)

Mansfield, J. M. (1812)

This day (the 24th. of Jan.) at 44 minutes past 8 o'clock A. M. a shock, at least as violent as the 2nd* was felt. It continued 2 or 3 minutes with a tremor for some length of time after.

Comment

**refers to the second largest earthquake of Dec. 16, 1811; i.e., the event that occurred about 8 a.m.*
